It shall be the policy of the Pittsfield School Committee to establish a Sick Leave Bank, the purpose of which shall be to enable the members of the bargaining unit to voluntarily contribute a portion of their sick leave accumulation for use by a participating member whose sick leave is exhausted through prolonged and/or catastrophic illness or injury, and who have no remaining unused sick leave, personal leave, and/or vacation time in their personal account.

b. ELIGIBILITY. Eligibility for membership in the Sick Leave Bank is gained by agreement by an applicant to contribute one earned sick leave day to the bank. This agreement must be in written form (an e-mail to the Director of Human Resources with a copy to the Chapter Chairperson is sufficient). Application for membership is through the Director of Human Resources. Application for membership to the Sick Leave Bank must be made during the month of September. A new hire may complete an application for Sick Leave Bank membership within thirty (30) days of his/her starting date. New Sick Leave Bank members may not have entitlement to Sick Leave Bank benefits until one (1) year after his/her initial donation to the bank (note: for purposes of this provision, employees who contributed to the sick leave bank that was effective prior to July 1, 2014 shall not be considered new sick leave bank members and are not subject to the one (1) year wait period). Members of the Sick Leave Bank will contribute one (1) day upon application for membership.

c. SICK LEAVE BANK COMMITTEE. The Sick Leave Bank Committee shall consist of two (2) members appointed by the Chairperson of the School Committee, and two (2) members appointed by the bargaining unit chairperson. The Sick Leave Bank Committee shall govern all

phases of the Sick Leave Bank, including the option to accept or reject applications for sick leave.

d. GRANT OF SICK LEAVE BANK BENEFIT. A grant of sick leave from the Sick Leave Bank shall be made by majority vote of those Sick Leave Bank Committee members present and voting, but no meeting shall be held and no vote shall be taken unless a quorum is present. The quorum for meetings of the Sick Leave Bank Committee is three members present. The Sick Leave Bank Committee shall consider the following factors when determining the eligibility of an employee to draw days from the Sick Leave Bank, and in determining the amount of leave to be granted:

i. Written medical evidence (e.g., a note from the employee's medical provider) submitted by the employee indicating the inability of the employee to perform his/her duties. The medical evidence must include the specific nature of the illness and/or injury, and the date the employee may be expected to return to work.

ii. The employee's prior utilization of his/her sick leave time.

iii. The employee's prior requests for and/or use of Sick Leave Bank time.

e. In the event the Sick Leave Bank Committee denies a written request, the applicant may request an appeal meeting to reconsider said determination in writing within ten (10) work days of receipt of the denial. The applicant has the right to attend the appeal meeting, and present additional information. A majority vote of the Sick Leave Bank Committee is necessary to reverse its prior determination (Note: a tie vote results in a denial). The decision of the Sick Leave Bank Committee shall be final and binding and not subject to the grievance procedure and/or arbitration. The Sick Leave Bank Committee may not provide grants of sick leave from the Sick Leave Bank totaling more than thirty (30) days in any given contract year. The Sick Leave Bank Committee may allow for an additional grant of thirty (30) days (i.e., a maximum of sixty (60) days) in any given contract year under extenuating circumstances. Payments from the Sick Leave Bank are made on a work day basis. Sick leave bank days are only available for a bargaining unit member's own prolonged and/or catastrophic illness or injury.

f. REVIEW OF LONG-TERM CASES. A review of long-term cases will be in order at any time if the Sick Leave Bank Committee suspects abuse of sick leave. In such case, an attending physician's statement must be forwarded to the Sick Leave Bank Committee by the attending physician.

g. APPLICATION FOR SICK LEAVE BANK BENEFIT. Participants must exhaust all accrued sick leave, personal leave, and/or vacation time before drawing from the Sick Leave Bank.

Application to the Sick Leave Bank Committee must be made in writing at least two (2) weeks prior to the expiration of accrued sick leave to expedite benefits (an e-mail to the Director of Human Resources with a copy to the Chapter Chairperson is sufficient). All applications must include certification from the employee's medical provider.

h. MAXIMUM SICK LEAVE BANK ACCUMULATION. The maximum accumulation of days in the Sick Leave Bank shall not exceed one hundred and fifty (150) days.

i. REPLENISHMENT OF BANK. The Sick Leave Bank will be considered depleted if its number of days on deposit goes down to 1/2 of the total allowable accumulation (i.e., seventy-five (75) days). In this event, each member of the Sick Leave Bank shall be assessed at least one, but not more than four days of their personal entitlement of sick leave, and such assessed days of personal sick leave shall be added to the Sick Leave Bank. Such assessment shall be by vote of the Sick Leave Bank Committee, but the Sick Leave Bank Committee cannot assess more than four (4) days of personal sick leave per member of the Sick Leave Bank in any one school year. Each employee will be provided a form indicating that the applicable number of sick days will be deducted on a date certain, unless said employee signs and returns the form prior to the date certain indicating that they no longer wish to be a member of the Sick Leave Bank.

j. CARRY-OVER. Any unused sick leave remaining in the Sick Leave Bank at the end of any school year shall be automatically carried over to the next school year. The Committee shall make available to the Federation upon request the current balance of the Sick Leave Bank, as well as a detailed list of all donations/assessments to and withdrawals from the Sick Leave Bank.

2. If the grievance is not resolved informally, the grievant may submit directly, together with or through the FEDERATION, a written grievance to the principal of the building or to the immediate superior of the grievant. Within ten (10) calendar days after receiving the grievance, the principal or immediate superior shall communicate his decision in writing.

LEVEL TWO: (SUPERINTENDENT LEVEL)

1. The decision of the building principal or the immediate superior may be appealed in writing by the aggrieved directly, together with or through the FEDERATION to the Superintendent of Schools or his designated representative within ten (10) calendar days after the decision of the principal or immediate superior has been received by the aggrieved.

3. If the Superintendent of Schools and the grievant satisfactorily resolve the grievance, the Superintendent of Schools shall submit his decision in writing within ten (10) calendar days.
4. It is understood that if a grievance is due to an alleged violation of Massachusetts Civil Service regulations, the grievance procedure may begin at Level II.

The filing of a written demand for Arbitration with the AAA shall be the method of notifying the COMMITTEE of the FEDERATION'S intent to appeal. The date postmarked on the envelope containing the AAA demand shall be deemed the date of filing.

2. The arbitrator so selected will confer with representatives of the School Committee and the FEDERATION and hold hearings promptly, and will issue his decision not later than twenty (20) days from the date of the close of the hearings; or, if oral hearings have been waived, then from the date the final statements and evidence are submitted to him. Failure of a grievant to file in writing a complaint within thirty (30) days or to proceed to the next step as provided in the procedures shall cause the grievance to be deemed to have been waived. Failure of the COMMITTEE and/or its agents to respond as provided in the procedures at any step shall constitute a denial of the grievance and the grievant shall have the right to proceed to the next step in the procedure. Any time limits specified in the Article may be extended only by mutual agreement of both parties reduced to writing.

3. **NO REPRISAL:** The fact that a grievance is raised by a member of the bargaining unit, regardless of the ultimate disposition of such grievance, shall not be recorded in the EMPLOYEE'S file nor in any file nor record utilized in the promotion process; nor shall such fact be used in any recommendations for job placement; nor shall such secretary or secretaries who participate in any way in the grievance procedure be subjected to reprisal for having processed a grievance. All documents, communications and records dealing with the processing of a grievance will be filed separately from the personnel files of the participants, unless the individual in question files a written request that all such documents, communications and records be included in his personnel file.

4. At Arbitration the grievant and the School Committee shall have the following rights:

- i. To be present at the hearing;
- ii. To hear testimony;
- iii. To give testimony;
- iv. To call others to give testimony;
- v. To question whether personally or through a FEDERATION or COMMITTEE representative, any person giving testimony.

5. Except in cases of arbitration hearing, grievances shall ordinarily be processed at times which do not disrupt the educational programs in the schools or interfere with the EMPLOYEE'S responsibilities. If grievances are processed during the school day by mutual agreement of the parties, then released time shall be provided to all parties of interest without loss of pay or benefits.

6. **TIME LIMITS:** Time limits expressed in this procedure shall be considered maxima and may be extended by mutual agreement.

7. Nothing herein shall require the FEDERATION to process a grievance through arbitration.

8. Grievances shall be initiated at the administrative level giving rise to the grievance. If the

administrator determines that the grievance has been improperly filed at his level, he/she shall so notify the grievant. The original filing shall be valid for timeliness as provided in the various levels of the grievance process.

9. Class or group grievances involving more than one grievant shall identify the class affected by the grievance at Level One of the grievance procedure.

10. At a School Committee grievance hearing, the FEDERATION and/or the EMPLOYEE shall have the right to fully present their position regarding the grievance, including the right to speak on their own behalf, to have FEDERATION representation and to produce support for their position through documents or other persons.

However, all current employees who are employed as of the effective date of this Agreement shall be covered by the Civil Service to the extent provided by law.

2. An EMPLOYEE who leaves the service of the School Department directly to enter the Armed Forces of the United States, and who thereafter returns to the service of the School Department upon termination of such service with the Armed Forces, shall be entitled to have the period of such service with the Armed Forces added to the term of her employment with the City in determining whether or not she is entitled to additional compensation and the amount thereof under this Article.

the FEDERATION'S written instructions, provided that the COMMITTEE has given the FEDERATION timely notice of any such claims, demands, liabilities or suits, and the FEDERATION has had an opportunity to intervene in and defend any such actions.

ARTICLE XXI

A. The Committee will respect the position of the Federation as the sole and exclusive bargaining agent for all employees in the secretaries' bargaining unit on matters of wages, hours, and conditions of employment for the life of this Agreement.

B. Effective thirty (30) days after execution of the Agreement or the commencement of employment, whichever comes later, each employee, in accordance with the M.G.L. c. 150E § 12., shall be required to pay the service fee to the Federation.

C. The Federation will be solely responsible for enforcing the provisions of this Article. The Committee will not be responsible to enforce any provision of this Article.

D. The Federation will indemnify, defend and hold harmless the Committee against any and all claims, actions or lawsuits of any kind or description, whether at law or in equity, and whether based on statute, constitution, or common law, made or instituted against the Committee or its agents, employees or secretaries, resulting from this Article. Specifically, the Federation will have no right of action by way of contribution, counterclaim, or other basis against the Committee. Should any administrative agency or court of competent jurisdiction find the Committee liable for any damages as a result of this Article, the Federation will pay any and all of those damages, including interest and charges.

E. If any court of competent jurisdiction determines that any part of this Article, is unconstitutional, in violation of statute, or otherwise unenforceable, all of the other parts of this Article will be null and void.

F. The service fee shall be calculated in accordance with the provisions of M.G.L. c. 150E § 12, and applicable state and federal constitutional law, and shall not be paid by employees to remain members in good standing with the Federation.

B. An EMPLOYEE has the right to be represented by the FEDERATION in any meeting with one or more administrators when there is probable cause to believe that the purpose of the meeting is for disciplinary action.

ARTICLE XXIII

SAVINGS CLAUSE

If any provisions of this Agreement is or shall at any time be contrary to law, then such provisions shall not be applicable or performed or enforced, except to the extent permitted by law and substitute action shall be subject to appropriate consultation and negotiation with the FEDERATION. In the event that any provision of this Agreement is or shall be contrary to law, all other provisions of this Agreement shall continue in effect.

ARTICLE XXIV

GENERAL

A. When it is necessary pursuant to ARTICLE XVI for an EMPLOYEE to attend an arbitration hearing during a school day, the School Committee will pay for two (2) members of the FEDERATION to

participate. All other costs for additional FEDERATION witnesses will be borne by the FEDERATION.

B. The EMPLOYER will make available to the FEDERATION in the Superintendent's Office, copies of minutes of the official School Committee meeting and all other public documents that are distributed to the EMPLOYER at official meetings, as soon as possible after such meeting. A copy of the official agenda of the meeting, and any attached public documents will be made available to the FEDERATION in the Superintendent's Office as soon as possible

C. Every secretary will be supplied with a serviceable secretary's desk, secretary's posture chair, electric typewriter, and other necessary equipment and supplies to effectively perform her duties.

B. Nor shall there be any strike or interruption of work because of any disputes or disagreements between any other persons, Employers, Associations, FEDERATIONS or Unions who are not signatory parties to this Agreement.

ARTICLE XXVI **BARGAINING UNIT WORK**

A. PARAPROFESSIONALS

No paraprofessional employee shall do the bargaining unit work of EMPLOYEES in the bargaining unit, except: to fill in for illness, personal days, vacations, or other short-term absences by secretaries; or to help the secretarial staff with short-term overflows of work if the Superintendent or his designee determines such assistance is necessary. It is understood, however, that paraprofessionals, as part and parcel of their jobs, regularly perform some typing, filing and other clerical functions. However, paraprofessionals shall not displace existing bargaining unit EMPLOYEES through their performance of

clerical duties. "Short-term" as used in this Article shall mean periods of four (4) weeks or less. It is understood that paraprofessionals shall not substitute for bargaining unit members until every effort has been made by the administration to enlist the services of a clerical substitute from the list of clerical substitutes in the Personnel Office.

B. FIRST AID

The parties agree that, because a secretary is located in a central office of a school, it should not be assumed that assignment of non-secretarial functions should automatically fall to the secretary. The parties agree to make every effort to form a system-wide committee with all involved bargaining units to be invited that will work toward the goal of forming a plan to designate a first aid person in each building.

ARTICLE XXVII
DURATION OF CONTRACT

This Agreement shall be effective from July 1, 2018 to the period ending June 30, 2021. Negotiations for a successor agreement will begin no later than February 14, 2021.

Your Care

Your Primary Care Provider.

When you enroll in Network Blue New England, you must choose a primary care provider (PCP) who is available to accept you and your family members and participates in our network of providers throughout the New England states. For children, you may designate a participating network pediatrician as the PCP.

For a list of participating PCPs or OB/GYNs: visit the Blue Cross Blue Shield of Massachusetts website at www.bluecrossma.com; consult the Provider Directory; or call our Physician Selection Service at 1-800-821-1388. If you have trouble choosing a doctor, the Physician Selection Service can help. We can tell you whether a doctor is male or female, the medical school(s) he or she attended, and if any languages other than English are spoken in the office.

Referrals You Can Feel Better About.

Your PCP is the first person you call when you need routine or sick care (see *Emergency Care—Wherever You Are* for emergency care services). If you and your PCP decide that you need to see a specialist for covered services, your PCP will refer you to an appropriate network specialist, who is probably someone affiliated with your PCP's hospital or medical group. You will not need prior authorization or referral to see a HMO Blue New England network provider who specializes in OB/GYN services. Your providers may also work with Blue Cross Blue Shield concerning referrals, and the Utilization Review Requirements, which are Pre-Admission Review, Concurrent Review and Discharge Planning, Prior Approval for Certain Outpatient Services, and Individual Case Management. Information concerning Utilization Review and services requiring referral from your PCP is detailed in your benefit description.

Your Cost Share.

This plan has two levels of hospital benefits. You will pay a higher cost share when you receive certain inpatient services at or by "higher cost share hospitals." See the chart on the opposite page for your cost share amounts.

Please note: If your PCP refers you to another provider for covered services (such as a specialist), it is important to check whether the provider you are referred to is affiliated with one of the higher cost share hospitals listed below. Your cost will be greater when you receive certain inpatient services at or by these hospitals, even if your PCP refers you.

Higher Cost Share Hospitals.

The Massachusetts hospitals listed below are the hospitals in which your cost share will be higher. Blue Cross Blue Shield will let you know if this list changes.

- Baystate Medical Center
- Boston Children's Hospital
- Brigham and Women's Hospital
- Cape Cod Hospital
- Dana-Farber Cancer Institute
- Dana-Farber Cancer Institute
- Fairview Hospital
- Massachusetts General Hospital

- North Shore Medical Center –Salem Campus
- North Shore Medical Center –Union Campus
- South Shore Hospital
- Sturdy Memorial Hospital
- UMass Memorial Medical Center – Memorial Campus
- UMass Memorial Medical Center – University Campus

All other network hospitals will carry the lower cost share, including network hospitals outside of Massachusetts.

Your Deductible.

Your deductible is the amount of money you pay out-of-pocket each plan year before you can receive coverage for some benefits under this plan. If you are not sure when your plan year begins, contact Blue Cross Blue Shield. Your deductible is \$250 per member (or \$750 per family).

Your Out-of-Pocket Maximum.

Your out-of-pocket maximum is the most that you could pay during a plan year for deductible, copayments, and coinsurance for covered services. Your out-of-pocket maximum for medical benefits is \$2,500 per member (or \$5,000 per family). Your out-of-pocket maximum for prescription drug benefits is \$1,000 per member (or \$2,000 per family).

Emergency Care – Wherever You Are.

In an emergency, such as a suspected heart attack, stroke, or poisoning, you should go directly to the nearest medical facility or call 911 (or the local emergency phone number). After the deductible, you pay a \$100 copayment per visit for emergency room services. This copayment is waived if you are admitted to the hospital or for an observation stay.

Service Area.

The plan's service area includes all cities and towns in the Commonwealth of Massachusetts, State of Rhode Island, State of Vermont, State of Connecticut, State of New Hampshire, and State of Maine.

Outside the Service Area.

If you're traveling outside your service area and you need urgent or emergency care, go to the nearest appropriate health care facility. You are covered for the urgent or emergency care visit and one follow-up visit while outside the service area. Any additional follow-up care must be arranged by your PCP. Please see your subscriber certificate for more information.

Dependent Benefits.

This plan covers dependents until the end of the calendar month in which they turn age 26, regardless of their financial dependency, student status, or employment status. Please see your benefit description (and riders, if any) for exact coverage details.

Some of the services not covered are: cosmetic surgery; custodial care; most dental care; and any services covered by workers' compensation. Your Choice

Your Deductible.

Your deductible is the amount of money you pay out-of-pocket each plan year before you can receive coverage for most benefits under this plan. If you are not sure when your plan year begins, contact Blue Cross Blue Shield. Your deductibles are \$250 per member (or \$750 per family) for in-network services and \$400 per member (or \$800 per family) for out-of-network services.

When You Choose Preferred Providers.

The plan has two levels of hospital benefits for preferred providers. You will pay a higher cost share when you receive inpatient services at or by “higher cost share hospitals.” See the chart on the back page for your cost share amounts. Please note: If a preferred provider refers you to another provider for covered services (such as a specialist), make sure the provider is a preferred provider in order to receive benefits at the in-network level. If the provider you are referred to is not a preferred provider, you’re still covered, but your benefits, in most situations, will be covered at the out-of-network level, even if the preferred provider refers you. It is also important to check whether the provider you are referred to is affiliated with one of the higher cost share hospitals listed below. Your cost will be greater when you receive certain services at or by these hospitals, even if your preferred provider refers you.

Higher Cost Share Hospitals.

The Massachusetts hospitals listed below are the hospitals in which your cost share will be higher. Blue Cross Blue Shield will let you know if this list changes.

- Baystate Medical Center
- Boston Children’s Hospital
- Brigham and Women’s Hospital
- Cape Cod Hospital
- Dana-Farber Cancer Institute
- Fairview Hospital
- Massachusetts General Hospital
- North Shore Medical Center – Salem Campus
- North Shore Medical Center – Union Campus
- South Shore Hospital
- Sturdy Memorial Hospital
- UMass Memorial Medical Center – Memorial Campus
- UMass Memorial Medical Center – University Campus

How to Find a Preferred Provider.

There are several ways to find a preferred provider:

- Look up a provider in the Provider Directory. If you need a copy of your directory, call Member Service at the number on your ID card.
- Visit the Blue Cross Blue Shield of Massachusetts website at www.bluecrossma.com/findadoctor
- Call our Physician Selection Service at 1-800-821-1388

When You Choose Non-Preferred Providers

If you have not satisfied your deductible, your provider may ask you to pay the actual charge for your care at the time of your visit. After the plan-year deductible has been met, you pay 20 percent coinsurance for most out-of-network covered services. Payments for out-of-network benefits are based on the Blue Cross Blue Shield of Massachusetts allowed charge as defined in your benefit description. You may be responsible for any difference between the allowed charge and the provider’s actual billed charge (this is in addition to your deductible and/or your coinsurance).

Your Out-of-Pocket Maximum.

Your out-of-pocket maximum is the most that you could pay during a plan year for deductible, copayments, and coinsurance for covered services. Your medical out-of-pocket maximum is \$2,500 per member (or \$5,000 per family) for in-network and out-of-network services combined. Your prescription drug out-of-pocket maximum is \$1,000 per member (or \$2,000 per family).

Emergency Room Services.

In an emergency, such as a suspected heart attack, stroke, or poisoning, you should go directly to the nearest medical facility or call 911 (or the local emergency phone number). After your in-network deductible, you pay a \$100 copayment per visit for in-network or out-of-network emergency room services. The copayment is waived if you are admitted to the hospital or for an observation stay.

Utilization Review Requirements.

You must follow the requirements of Utilization Review, which are Pre-Admission Review, Pre-Service Approval for certain outpatient services, Concurrent Review and Discharge Planning, and Individual Case Management. If you need non-emergency or non-maternity hospitalization, you or someone on your behalf must call the number on your ID card for pre-approval. Information concerning Utilization Review is detailed in your benefit description and riders. If you do not notify Blue Cross Blue Shield and receive pre-approval, your benefits may be reduced or denied.

Dependent Benefits.

This plan covers dependents until the end of the calendar month in which they turn age 26, regardless of their financial dependency, student status, or employment status. Please see your benefit description (and riders, if any) for exact coverage details.

Limitations and Exclusions. These pages summarize the benefits of your health care plan. Your benefit description and riders define the full terms and conditions in greater detail. Should any questions arise concerning benefits, the benefit description and riders will govern. Some of the services not covered are: cosmetic surgery; custodial care; most dental care; and any services covered by workers' compensation. For a complete list of limitations and exclusions, refer to your benefit description and riders.

Your Choice

Your Deductible.

Your deductible is the amount of money you pay out-of-pocket each plan year before you can receive coverage for most benefits under this plan. If you are not sure when your plan year begins, contact Blue Cross Blue Shield. Your deductibles are \$300 per member (or \$900 per family) for in-network services and \$400 per member (or \$800 per family) for out-of-network services.

When You Choose Preferred Providers.

The plan has two levels of hospital benefits for preferred providers. You will pay a higher cost share when you receive inpatient services at or by “higher cost share hospitals.” See the chart on the back page for your cost share amounts.

Please note: If a preferred provider refers you to another provider for covered services (such as a specialist), make sure the provider is a preferred provider in order to receive benefits at the in-network level. If the provider you are referred to is not a preferred provider, you’re still covered, but your benefits, in most situations, will be covered at the out-of-network level, even if the preferred provider refers you. It is also important to check whether the provider you are referred to is affiliated with one of the higher cost share hospitals listed below. Your cost will be greater when you receive certain services at or by these hospitals, even if your preferred provider refers you.

Higher Cost Share Hospitals.

The Massachusetts hospitals listed below are the hospitals in which your cost share will be higher. Blue Cross Blue Shield will let you know if this list changes.

- Baystate Medical Center
- Boston Children’s Hospital
- Brigham and Women’s Hospital
- Cape Cod Hospital
- Dana-Farber Cancer Institute
- Fairview Hospital
- Massachusetts General Hospital
- North Shore Medical Center – Salem Campus
- North Shore Medical Center – Union Campus
- South Shore Hospital
- Sturdy Memorial Hospital
- UMass Memorial Medical Center – Memorial Campus
- UMass Memorial Medical Center – University Campus

How to Find a Preferred Provider.

There are several ways to find a preferred provider:

- Look up a provider in the Provider Directory. If you need a copy of your directory, call Member Service at the number on your ID card.
- Visit the Blue Cross Blue Shield of Massachusetts website at www.bluecrossma.com/findadoctor
- Call our Physician Selection Service at 1-800-821-1388

When You Choose Non-Preferred Providers

If you have not satisfied your deductible, your provider may ask you to pay the actual charge for your care at the time of your visit. After the plan-year deductible has been met, you pay 20 percent coinsurance for most out-of-network covered services. Payments for out-of-network benefits are based on the Blue Cross Blue Shield of Massachusetts allowed charge as defined in your benefit description. You may be responsible for any difference between the allowed charge and the provider’s actual billed charge (this is in addition to your deductible and/or your coinsurance).

Your Out-of-Pocket Maximum.

Your out-of-pocket maximum is the most that you could pay during a plan year for deductible, copayments, and coinsurance for covered services. Your medical out-of-pocket maximum is \$2,500 per member (or \$5,000 per family) for in-network and out-of-network services combined. Your prescription drug out-of-pocket maximum is \$1,000 per member (or \$2,000 per family).

Emergency Room Services.

In an emergency, such as a suspected heart attack, stroke, or poisoning, you should go directly to the nearest medical facility or call 911 (or the local emergency phone number). After your in-network deductible, you pay a \$100 copayment per visit for in-network or out-of-network emergency room services. The copayment is waived if you are admitted to the hospital or for an observation stay.

Utilization Review Requirements.

You must follow the requirements of Utilization Review, which are Pre-Admission Review, Pre-Service Approval for certain outpatient services, Concurrent Review and Discharge Planning, and Individual Case Management. If you need non-emergency or non-maternity hospitalization, you or someone on your behalf must call the number on your ID card for pre-approval. Information concerning Utilization Review is detailed in your benefit description and riders. If you do not notify Blue Cross Blue Shield and receive pre-approval, your benefits may be reduced or denied.

Dependent Benefits.

This plan covers dependents until the end of the calendar month in which they turn age 26, regardless of their financial dependency, student status, or employment status. Please see your benefit description (and riders, if any) for exact coverage details.

Your Care

Your Primary Care Provider (PCP)

When you enroll in Network Blue New England, you must choose a primary care provider. Be sure to choose a PCP who can accept you and your family members and who participates in the network of providers in New England. For children, you may choose a participating network pediatrician as the PCP.

For a list of participating PCPs or OB/GYN physicians, visit the Blue Cross Blue Shield of Massachusetts website at www.bluecrossma.com; consult the Provider Directory; or call the Physician Selection Service at 1-800-821-1388.

If you have trouble choosing a doctor, the Physician Selection Service can help. They can give you the doctor's gender, the medical school she or he attended, and whether there are languages other than English spoken in the office.

Referrals

Your PCP is the first person you call when you need routine or sick care. If your PCP decides that you need to see a specialist for covered services, your PCP will refer you to an appropriate network specialist, who is likely affiliated with your PCP's hospital or medical group.

You will not need prior authorization or referral to see a HMO Blue New England network provider who specializes in OB/GYN services. Your providers may also work with Blue Cross Blue Shield of Massachusetts regarding referrals and Utilization Review Requirements, including Pre-Admission Review, Concurrent Review and Discharge Planning, Prior Approval for Certain Outpatient Services, and Individual Case Management. For detailed information about Utilization Review, see your benefit description.

Your Cost Share

This plan has two levels of hospital benefits. You will pay a higher cost share when you receive certain inpatient services at or by "higher cost share hospitals." See the chart for your cost share.

Note: If your PCP refers you to another provider for covered services (such as a specialist), it is important to check whether the provider you are referred to is affiliated with one of the higher cost share hospitals listed below. Your cost will be greater when you receive certain services at or by these hospitals, even if your PCP refers you.

Higher Cost Share Hospitals

Your cost share will be higher at the hospitals listed below. Blue Cross Blue Shield of Massachusetts will let you know if this list changes.

- Baystate Medical Center
- Boston Children's Hospital
- Brigham and Women's Hospital
- Cape Cod Hospital
- Dana-Farber Cancer Institute
- Fairview Hospital
- Massachusetts General Hospital
- UMass Memorial Medical Center

All other network hospitals will carry the lower cost share, including network hospitals outside of Massachusetts.

Note: Some of the general hospitals listed above may have facilities in more than one location. At certain locations, the lowest cost sharing level may apply.

Your Deductible

Your deductible is the amount of money you pay out-of-pocket each plan year before you can receive coverage for most benefits under this plan. If you are not sure when your plan year begins, contact Blue Cross Blue Shield of Massachusetts. Your deductible is \$500 per member (or \$1,000 per family). Your deductible for prescription drugs is \$100 per member (or \$200 per family).

Your Out-of-Pocket Maximum

Your out-of-pocket maximum is the most that you could pay during a plan year for deductible, copayments, and coinsurance for covered services. Your out-of-pocket maximum for medical benefits is \$2,500 per member (or \$5,000 per family). Your out-of-pocket maximum for prescription drug benefits is \$1,000 per member (or \$2,000 per family).

Emergency Room Services

In an emergency, such as a suspected heart attack, stroke, or poisoning, you should go directly to the nearest medical facility or call 911 (or the local emergency phone number). After meeting your deductible, you pay a copayment per visit for emergency room services. This copayment is waived if you're admitted to the hospital or for an observation stay. See the chart for your cost share.

Telehealth Services

You are covered for certain medical and behavioral health services for conditions that can be treated through video visits from an approved Telehealth provider. These Telehealth services are available by using your computer or mobile device when you prefer not to make an in-person visit for any reason to a doctor or therapist. For a list of Telehealth providers, visit the Blue Cross Blue Shield of Massachusetts website at www.bluecrossma.com; consult the Provider Directory; or call the Physician Selection Service at 1-800-821-1388.

Service Area

The plan's service area includes all cities and towns in the Commonwealth of Massachusetts, State of Rhode Island, State of Vermont, State of Connecticut, State of New Hampshire, and State of Maine.

When Outside the Service Area

If you're traveling outside the service area and you need urgent or emergency care, you should go to the nearest appropriate health care facility. You are covered for the urgent or emergency care visit and one follow-up visit while outside the service area. Any additional follow-up care must be arranged by your PCP. See your benefit description for more information.

Dependent Benefits

This plan covers dependents until the end of the calendar month in which they turn age 26, regardless of their financial dependency, student status, or employment status. See your benefit description (and riders, if any) for exact coverage details.
