RE: Petition to the Pittsfield School Committee

Dear Katherine,

Attached is a petition which includes the signatures of over 500 employees, teachers, and residents in support of [our request for a salary adjustment](#) on behalf of the members of the Pittsfield Federation of School Employees (PFSE). PFSE members are the dedicated Bus Drivers/Bus Monitors, Cafeteria Workers, Custodians, Educational Secretaries, and Paraprofessionals employed by the Pittsfield Public Schools. [Click here for a breakdown of the wages paid to all classifications of support staff who work for the Pittsfield Public Schools in relation to the rising Massachusetts Minimum Wage.](#)

We are asking that you use some of the monies coming to the City Pittsfield under the federal funding for COVID-19 relief/stimulus (estimated to be more than \$41M) and to the Pittsfield Public Schools under increases to state Chapter 70 funding as part of the Student Opportunity Act (estimated to be more than \$27M over the next 6 years) to do a salary adjustment for your support staff and their families.

The services that our members provide are a part of the “common good” that make Pittsfield a better place to live and raise a family. Your support staff should not be expected to give their all each day to make our public schools successful in return for wages that border on “oppressive and unreasonable”. **Our request is for an immediate salary adjustment of \$3.00/hour across the board for Support Staff classifications including all Bus Drivers/Bus Monitors, Cafeteria Workers, Custodians, Educational Secretaries and Paraprofessionals with additional adjustments during the upcoming round of contract negotiations.**

Sincerely,

Sandi Amburn

PETITION TO THE PITTSFIELD SCHOOL COMMITTEE
REQUEST FOR SALARY ADJUSTMENT AND WAGE INCREASE

We, the undersigned rise in support of employees of the Pittsfield Public Schools and their request for a salary adjustment and wage increase. [A copy of their request is attached to this Petition.](#)

Our Bus Drivers/Monitors, Cafeteria Workers, Custodians, Paraprofessionals, and Educational Secretaries go to work each day with one goal in mind - to provide the best possible learning experience for the children of Pittsfield.

These employees are committed to dignity and respect for our students and all employees of the Pittsfield Public Schools. They are devoted to their families and our community, and we proudly stand with them and support their demand for social justice and economic fairness.

We want the Pittsfield School Committee and the City of Pittsfield to do more than just listen to their demands. We want you to act!

The wages currently paid to our dedicated Support Staff employees are unreasonable and border on oppressive. This needs to end!

Our request is for an immediate salary adjustment of \$3.00/hour across the board for all classifications included in the Cafeteria Unit, with additional adjustments during the upcoming round of contract negotiations. We are also requesting similar salary adjustments across the board for the Bus Driver/Bus Monitors, Custodians, Educational Secretaries, and Paraprofessionals as this situation is certainly not unique to one unit.

As our elected officials we need you to do what is right for these families and our community!

We hereby petition the Pittsfield School Committee to immediately implement the request for a salary adjustment and increase in wages so that the Support Staff can properly provide for their families.
